

GRC Round 3/4 - Final Instructions

Change of Timetable

Please note that the timetable for this meeting is taking a different form to usual. So please be sure you are aware of when you are needed.

Transponders

Be sure to collect a transponder at sign on if you do not have one already fitted. These will continued to be supplied by the organiser/DAMC for the rest of the season.

Pre race grid

Cars will directed onto the track in grid order. Please note that you will be directed by an organiser from the event. So please pay note to this and be ready in your car at least 5 mins. before the scheduled opening of the pit lane.

Pit Lane Speed Limit

Please be sure to observe pit lane speed limits. The limit for this year is **40KPH** at the entry point to the pit lane (white line under start gantry). If you dash is configured to MPH then it will be 24MPH. This will be enforced by the DAMC.

Eligibility Scrutineering

For this event cars will be pulled in at the end of any official session for random eligibility scrutineering. So please be sure to observe pit-lane marshals if they direct you into Parc Ferme.

Trophy Presentations

For this meeting Trophy presentations will take place after each race. If you finish in a podium position please continue to the podium as soon as possible after the race.

Tyre Forms

Tyre forms will again be used for this meeting, so please collect them at sign on.

Outstanding Balance with Organiser/DA

Any outstanding balance from the last event kindly needs to be settled before the qualifying for this event.
